## Adrian Sviland

### Chaska Rotary Exchange Student, Naerbo, Norway

Kevin Eide introduced the program. With only 6 weeks left in his USA adventure, we were treated to dozens of facets of Adrian's life that we did not appreciate dur-

ing his breakfast updates. His slides started with a geography reminder of Norway and his home town. Greetings from his family followed with a video of mom, dad sister and brother. Activities with family included vacations to an ancestral cabin 950 miles away in northern Norway, bike racing, skiing and travels around the country from the mountains to fjords to the beach. His hobbies and interests includ go-cart racing, rebuilding a 1972 Dodge Dart, 4-H Club leadership, and as youth leader at his church. Adrian will return for one more year of high school, then spend the obligatory one year in the Norwegian military before deciding on the next part in his life. Let's hope that somewhere down the road we are able to see this impressive and personable young man again.

## DISTRICT AWARDS

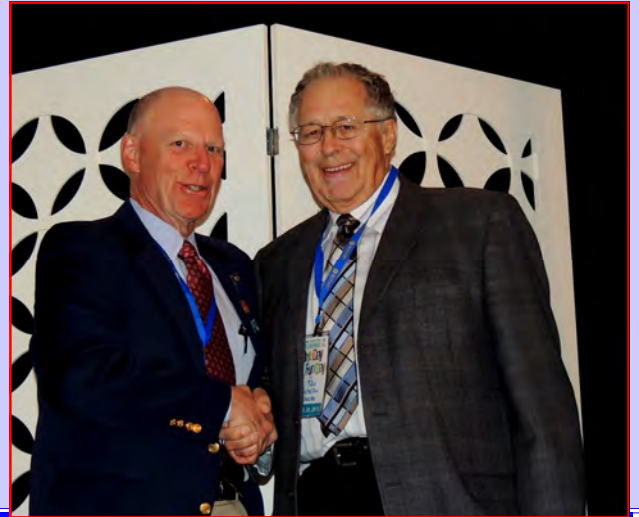

Dan Keyport resumed his Presidential duties and proudly announced awards received at the District conference last week. Chaska Rotary was recognized for its partnership with Chaska High School DECCA group to organize the annual Turkey Trot - thanks to Greg and Cindy Anderson and all those that helped with those events! Another recognition was given for the public relations associated with the Gala and our partnership with Corey Magstadt's Launch Ministry.

## SERVICE ABOVE SELF

Individual recognition for Service Above Self was given to our own Ray Schalow for his professionalism in sustaining the Rotary Newsletter, the "Futura."

## Upcoming events

**INDIAN EXCHANGE GROUP** - Dan provided an update with the planning for our visit by an Indian Exchange Group. Tours, hosts and events are in place and we will join the Waconia Rotary club for a meeting to listen to the Group's presentation.

**BREAKFAST - MAY 23** - Gary Goeman focused us on building our membership by inviting friends and neighbors to join us for breakfast. I suspect anyone that does not bring someone will PAY dearly.

**BRIDGING—MAY 4** - Steve Mueller introduced Fran Heitzman to provide his annual (14 years in a row) request for help with the Bridging furniture collection on May 4. Fran ignored his 88 years as his enthusiasm filled the room and our hearts with stories of beneficiaries of Bridging's partnership with Habitat for Humanity and the Red Cross. He also reminded us that Steve has been the dedicated leader of this effort for our club all 14 years. Trucks trailers and drivers are needed. (More events next page)

### Just Fine Mister

Dave Pokorney filled the pig with donations from Bill Engelhardt, Steve Mueller, Fran Heitzman, Paul Olsen, Bob Mueller, Cindy Anderson, and Ray Schalow - proving once again that all good deeds are punished! To make sure the rest of us didn't feel left out - he fined all those not wearing their Rotary pin.

## GSE Team River Cruise

**May 19, 3-5pm  
Boarding at 2:45pm**

Spring's almost arrived and now it's time to enjoy a river boat cruise on the Mississippi with the GSE team from District 3040.

City of Lakes Rotary is arranging a cruise with light appetizers, a cash bar, and most importantly, time to be with the team from India and all our Rotary friends.

The cost is \$10 per person. All Rotarians, family and friends are invited for a ride either through the lock and dam at St. Anthony Falls, or up river with gorgeous views of the Minneapolis skyline. To make reservations, go to [www.colrc.org](http://www.colrc.org). You will see on the top banner "online payments". You can pay through our pay pal account and spaces will be reserved for you.
